Game Day Review for 9-14-2002

Saturday, September 14th, 2002 - North High School (1101 E. Thomas Rd. - Phoenix, AZ)

Arizona Caliente 36 - Oakland Banshees 12

The Arizona Caliente came out of the box kicking, and running, and passing, and recovering a blocked Banshees' field goal attempt and running it back 85 yards, all adding to the Caliente's first game and first win of the season. The Banshees fought a great fight, but the power of the Caliente's defense, and the diversity of the Caliente's offensive attack was too much for the women from Oakland. Getting a few of the first game jitters out of the way, the Caliente dominated the field, and proved that they are one of the most well-rounded teams in all of women's football. Thank you to all the fans who attended!

Offensive Player of the Game: #47 Jackie Jarabek

Co-Defensive Players of the Game: #9 Tink Murphree and #19 Winter Barry

Game Day Preview for 9-21-2002

Arizona Caliente (1-0) @ California Quake (0-2) - The teams split games 1-1 in 2001-2002 regular season play, but the California Quake defeated the Caliente for the Pacific Conference Title in their 3rd match-up last season and then went on to win the Women's World Bowl. The Quake faced a tough beginning to this season playing 2 games against the legendary - Legends in Hawaii (to this point still undefeated at their home field), so don't let the Quake's early record fool you, the team defeated the LA Amazons in preseason play. This is the Caliente & Quake's first meeting this season.

Saturday, September 21st, 2002 - Veteran's Memorial Stadium, Long Beach, CA - Game time is 3:05pm

The Water boy

A VERY special "THANK YOU" to our Official Water boy - Nudge of **103.9 The Edge's** Morning Show. Nudge came out to a Caliente practice on Wednesday, September 11th, and thought that he could take on "the girls playing football". He made a bet that he could out run the team in kickoff return to show us how it was done, and if he didn't make the return, he would be our official water boy for the Fall 2002 Season. Needless to say, he didn't make it. The Arizona Caliente are proud to put him to work!

Caliente In the Media

PLAYER SIGHTING: On Wednesday September 11th, Caliente Center #70 Becky Gamble was on **Channel 3's** morning news show sitting down having a little coffee and conversation with Valley Weatherman and Morning Man about the town - Brad Perry.
