Game Day Preview for 9-14-2002

The Basics:

Saturday, September 14th, 2002

Arizona Caliente vs. the Oakland Banshees - this is the 2 team's first match-up

Game time - 7:05pm (Gates open at 6:00pm)

North High School (1101 E. Thomas Rd. - Phoenix, AZ)

The Scoop:

The Arizona Caliente will open their season against the very tough Oakland Banshees. While the Banshees had a disappointing 2001-2002 Season (2-7), the team has entered the Fall 2002 Season as a force. The Banshees played a preseason game against the San Francisco StingRayz in which the Banshees won 26-6, and just came off their season opener on Sept. 7th against the Santa Rosa Scorchers with another very definite victory and a score of 31-6. The Caliente are picked as one of the strongest teams in the WAFC going into this season with many returning players from the teams 8-4 season. This will however, be the Fall 2002 Caliente's first official game as a "team", and it may be a matter of if the Banshees can capitalize on the Caliente's first game jitters (if they have any). The Caliente have a feeling that the team from Oakland may be coming to Arizona a little over confident, and if the Caliente can get in their rhythm early, the Banshees better watch out because they'll be no looking back.
